Congratulations, your library is now fully active.

Dear Administrator,

You have just launched your library catalog (**gckhertha**) online. We know its really fun to get started with a brand new library management system (LMS) so easily.

However, without books, your library catalog looks empty. Lets get started by adding some books to your OPAC catalog.

Library Access URL: https://gckhertha.librarika.com.

We also have our iPhone app for librarians that you can download from the App Store. It uses the phone's built in barcode scanner functionality for quick cataloging of items.

Librarika - The Free ILS

LIBRARIKA ILS

Congratulations, your library is now fully active.

Dear Administrator,

You have just launched your library catalog (**gckhertha**) online. We know its really fun to get started with a brand new library management system (LMS) so easily.

However, without books, your library catalog looks empty. Lets get started by adding some books to your OPAC catalog.

Library Access URL: https://gckhertha.librarika.com.

We also have our iPhone app for librarians that you can download from the App Store. It uses the phone's built in barcode scanner functionality for quick cataloging of items.

Wish you best of luck with your Library.
