Welcome to Google Workspace for Education Fundamentals! We reviewed your application and are excited to approve your institution. I've included resources below which will help you follow best practices for getting set up and supporting your users.

Follow best practices for deployment

- Read the [Google Workspace for Education Quick Start IT Setup Guide](#) to discover best practices and learn how to create users and setup policies.
- Ask questions in the [Google Workspace Admin Help Community](#).
- If you need more help, consider [finding a partner here](#) to aid with your technical setup.

Get free training for your teachers

- Visit [Teach from Anywhere](#) for tools and tips to help keep students learning whilst teaching remotely.
- Sign up for [Getting Started with Google for Education](#) to receive weekly video training lessons on Google Workspace for Education (and encourage your educators to as well).
- Learn more by completing free training courses and exploring certifications on the [Google for Education Teacher Center](#).
- Ask questions in the [Google Classroom Help Community](#).

Connect with the community

- Join your local [Google Educator Group](#).
- Follow Google for Education on [Twitter](#) and [YouTube](#).
- Subscribe to the [Google for Education newsletter](#) for the latest updates, tips and more.
- Contact a [Google for Education Certified Trainer](#) for assistance with professional development.

Learn about security and privacy

- Google is committed to building products that help protect student and teacher privacy and provide best-in-class security for your institution. [Learn more](#).

Looking for more advanced analytics and security controls? Learn more about [Google Workspace for Education Standard](#).

Thanks,

Librarika - The Free ILS

LIBRARIKA ILS

Congratulations, your library is now fully active.

Dear Administrator,

You have just launched your library catalog (**gckhertha**) online. We know its really fun to get started with a brand new library management system (LMS) so easily.

However, without books, your library catalog looks empty. Lets get started by adding some books to your OPAC catalog.

Library Access URL: <https://gckhertha.librarika.com>.

We also have our iPhone app for librarians that you can download from the App Store. It uses the phone's built in barcode scanner functionality for quick cataloging of items.
