Congratulations, your library is now fully active.

Dear Administrator,

You have just launched your library catalog (**gckhertha**) online. We know its really fun to get started with a brand new library management system (LMS) so easily.

However, without books, your library catalog looks empty. Lets get started by adding some books to your OPAC catalog.

Library Access URL: https://gckhertha.librarika.com.

We also have our iPhone app for librarians that you can download from the App Store. It uses the phone's built in barcode scanner functionality for quick cataloging of items.
